Dear DeLill Nasser Awardee,

On behalf of the Genetics Society of America (GSA), I would like to congratulate you again on being awarded a DeLill Nasser Award for Professional Development in Genetics for 2019. This important award helps promote the future of our discipline by supporting early career scientists in their own professional development.

Enclosed please find the check for \$1,000 to support your travel and an award-winner badge ribbon for you.

We look forward to your continued engagement with GSA—please do not hesitate to be in touch if there is anything we can do to further support your career development. Best wishes for continued success.

Sincerely,

Tracey Depellegrin
Executive Director
